TEAMBUILDING ACTIVITIES
SPRING - SUMMER

LIGHT HORSE CAVALRY

A martial art coming from the 10th century presented by a world champion, who has won a silver medal. The archer is a rider, who is armed with a bow and is able to shoot from horseback.

ARCHERY IN THE CASTLE'S GROUNDS

Archery is one of the oldest martial arts of the world. In huge open areas it was a very successful technique for hunting, protecting the herd and for fighting. It was a characteristic of ancient Hungarian tribes and now it is about to revive. Archery is a unique sport, which can fascinate many of us.

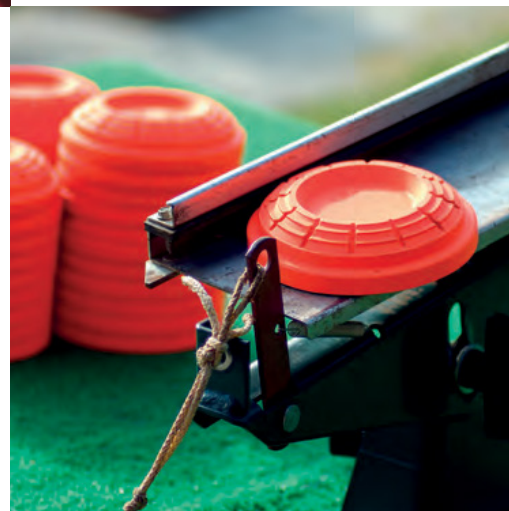

HISTORICAL TREASURE HUNT IN HOTEL AMADE CHÂTEAU

Would you like to participate in an adventure full of excitement and mystery? The protagonists of our treasure hunt are the Amades again, as well as the lost necklace, and the famously delicious apples of Vrakúň. You will definitely take an advantage of your creativity and ability to work in a team.

GOLD PANNING IN THE CASTLE

Learn all the little tricks of gold panning, the ancient craft of our ancestors from the Rye Island with a local expert. Find real gold hidden in grit and water. While it is a pleasant feeling to wear gold, panning for gold yourself, and finding that gold nugget makes for a memory that lasts a lifetime!

TEAMBUILDING WITH HORSES

One of the most modern and up to date teambuildings which can be offered by our hotel. The course of self-knowledge and conflict management is led by a world champion who won a silver medal in light horse cavalry. Working with horses improves ones teamwork and leading skills during which the horse is at once an assistant and a catalyzer.

CLAY PIGEON SHOOTING

Enjoy your time here and go with us for clay pigeon shooting which is like a real hunt. The shooting range is nearby the castle. Clay pigeon shooting builds confidence amongst its participants as progression in ability throughout the event is clearly seen. It also promotes healthy competition amongst colleagues. There is great satisfaction to be gained from seeing your clay explode when your colleague has just missed.

HALF-DAY WATER TOUR

Get closer to the wilderness of Rye Island on a boat or kayak trip! Paddle with us on the branches of the Danube near Bodíky village – led by experienced tour leaders.

RAFTING

Archery is one of the oldest martial arts of the world. In huge open areas it was a very successful technique for hunting, protecting the herd and for fighting. It was a characteristic of ancient Hungarian tribes and now it is about to revive. Archery is a unique sport, which can fascinate many of us.

WHIPPING MATCHA TEA AND MORE ABOUT TEA

A good tea has beautiful leaves and colour, perfect fragrance and nice flavour. Participants of this program experience various interesting tea activities, tea tastings, presentations and workshops. They learn the secret of making a tea in Kung-Fu Pu-Erh, Sencha and other styles.

ESCAPE ROOM

If you are looking for something challenging, try our Escape Room. The task is simple: you are locked in a room and have to find your way out in one hour through solving several tasks by using your logic and skills. If you are looking for a unique teambuilding experience, this game can be a perfect option. It was created for small groups of friends, colleagues or family. Time is ticking and the secrets are only slowly revealed.

CREATIVE TEAM PAINTING

One of the most modern and up to date teambuildings which can be offered by our hotel. The course of self-knowledge and conflict management is led by a world champion who won a silver medal in light horse cavalry. PLEIN AIR LUNCH OR DINNER

Enjoy a nice lunch or dinner in the beautiful surrounding of our English park. Characteristic meals of the Rye Island: marrowbone, vegetable stew, stuffed chicken, breaded meat and of course freshly picked cherries. Just like from the grannie. All prepared only from fresh and local ingredients of our country farms by the famous chef Imre Bindics and his team.

OUTDOOR CINEMA IN THE GARDEN

Rather than depending on a public outdoor cinema event, why not create your very own outdoor cinema in our beautiful English park? You can choose the film, pause it whenever you like, and choose the perfect clear evening. It is quite simple just gather friends together after an early evening barbecue. A large bowl of popcorn is a must!

GASTRO WORKSHOPS

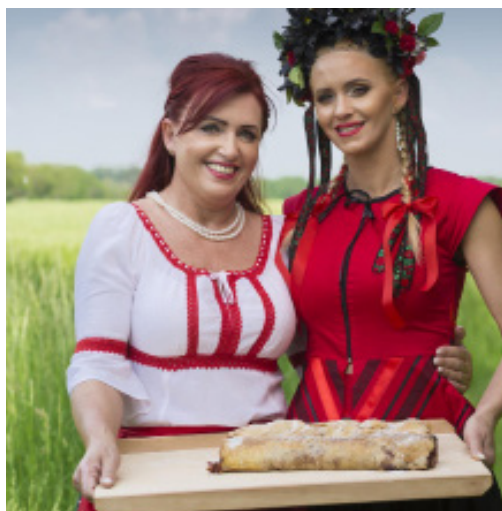

CHOCOLATE AND PRALINE MAKING

This is something for real chocolate lovers. The program includes a technical presentation which is followed by a chocolate and praline making according to your expectations. It helps to create a group identity as well as an original gift. We guarantee high quality flavours of home-made pralines and chocolate. Making your own chocolate brings you joy and improves creativity.

PREPARING HOME-MADE STRUDELS

The participant gets a general overview of preparing home-made strudel. First the pastry is prepared, and while it is resting participants prepare the filling (apple, sour cherry, curd-cheese) according to taste. The prepared pastry is stretched and filled then it is baked in oven. The outcome of the teamwork is a tasty strudel, which the guest can eat together.

LEAVEN BREAD MAKING

There is nothing better than the smell of freshly baked bread. The secret of leaven bread is presented by the first lady of leavening in Slovakia. Participants get a short introduction of the history and then they go through the whole process of home-made leaven bread making.

HAMAM

Unforgettable and original Hamam in the Turkish bath. Enjoy bubble bath, traditional shisha, Turkish tea and sweet baklava with your friends or colleagues. Our spectacular Turkish Hamam bath was built and designed by Turkish professionals. The Hamam represents a piece of the Orient, and is an experience which you will fall in love with at the very first touch.

RELAX

A WALK IN THE FOREST

Take a walk in the Amade forest just a couple of metres from the hotel. The sweet scent of flowers, charming birdsong, the placid swimming of wild ducks impress all your senses. We offer you map or guide for the walk.
